CAMP INFORMATION

The Citrus College Baseball Winter Hitting Camp gives your child a solid foundation for those just beginning, and provides a strong challenge for those children who are more advanced. The Citrus College Baseball Winter Hitting Camp staff is comprised of experienced and energetic individuals who will give your child the individual attention they need in the areas of infield and outfield play, hitting, baserunning, and pitching and catching.

Our teaching emphasis is bigger than baseball. We teach self-esteem, defensive positioning, offensive approach, skill fundamentals, team play, hustle, and work ethic.

Our experienced coaches and camp counselors have been chosen because they know and love the game of baseball, and have been proven to effectively teach the game. Thank you for helping us make Citrus Baseball Camp an enjoyable experience. We look forward to working with you this winter!

All camp sessions take place at the Citrus College Baseball Field.
