

ANNUAL PROGRAM REVIEW SUMMARY for Health Occupations 03-04

Full Review Due: 09-10

MISSION: Does program meet the District’s mission and established core competencies? Does program reflect the District’s diversity?	Status					
	04-05	05-06	06-07	07-08	08-09	09-10
Current Recommendations						
a) Reinstitute advisory committees for special courses that lead to careers. C.N.A.	C	C	C	C		C
b) Together with the appropriate advisory committee develop innovative courses/programs to serve a wide range of students needs using all delivery modes including distance education and continuing education classes. C.N.A.	C	C	C	C		P
c) Continue to explore scheduling options to ensure access for appropriate populations. C.N.A.	C	C	C	C		P
d) Evaluate courses nomenclature and renumber courses for sequence. C.N.A.	C	C	C	C		C
New Recommendations						
EMT: Annual career advisory meeting complete 11/08, Pursue launching our new Emergency Management and Homeland Security program, pursue joint feasibility paramedic program with Rio-Hondo College.					P	P
EMT- Continue to host High School open house presentations to surrounding community high Schools.					C	P
C.N.A. Explore feasibility of adding an evening course for NRS 101						p

ANNUAL PROGRAM REVIEW SUMMARY for Health Occupations 03-04

Full Review Due: 09-10

NEED: How is program addressing needs based on labor market data, enrollment, articulation, advisory committee, regional agreements, etc.?	Status					
	04-05	05-06	06-07	07-08	08-09	09-10
Current Recommendations						
a) The college should explore the construction of a new building specifically designed to facilitate Allied Health Programs. C.N.A.						C
b) Increase publicity and recruitment efforts. C.N.A.						C
c) Purchase software for specific courses that will keep the courses on the cutting edge. C.N.A.						C
d) Replace old mannequins and select items that serve a dual purpose for as many courses as possible. C.N.A.						P
e) Increase the number of Professional Experts for the Emergency Medical Technician. There is a 1:10 ration for evaluating the EMT students' skills and we cannot rely on the paramedics and firemen who frequently have to leave to go out on a call while they are helping.						P
New Recommendations						
EMT- Pursue expanding EMT to offer an accredited paramedic program in conjunction with Rio-Hondo Community College.						P

QUALITY: Are lec/lab unit values appropriate? Have the course outlines been reviewed/updated regularly? Are disciplines appropriate? Is faculty development adequate? Does program support State and District emphasis on critical thinking, problem solving and written expression? Does program meet stated objectives in the form of SLOs? Are course pre-requisites and co-requisites validated?	Status					
	04-05	05-06	06-07	07-08	08-09	09-10
Current Recommendations						
a)Continue to seek faculty current in instructional technology, especially knowledgeable of web-based resources and goals for their discipline (Recommendation from 97-98 Program Review)						
C.N.A. NRS Curriculum updated 2008 with addition of SLOs. Assessment cycle needs to be implemented. Instructor needs in-service.						P
New Recommendations						

FEASIBILITY: Are facilities, equipment, and library resources adequate? Are evening programs and services adequate? Are course offerings frequent enough for students to make adequate progress in both day and evening programs? Does the program have adequate communication with & support from Counseling?	Status					
	04-05	05-06	06-07	07-08	08-09	09-10
Current Recommendations						
a) Continue to pursue expanding/building a Health Occupations facility (Tech H) which should include offices/practice labs housing state of the art technological equipment. This continues to be on hold but should not be forgotten. Health careers are in high demand now for the future. (Recommendation from 97-98 Program Review) C.N.A.						C
b) Continue to update technical equipment/facilities by seeking grant funding and other sources.						
c) Faculty should make maximum use of selling packaged handout in the bookstore rather than distributing them in class. (Recommendation from 97-98 Program Review) C.N.A.	C	C	C	C		C
d) Courses should be evaluated as to their suitability for either distance education or other alternative modalities. (Recommendation from 97-98 Program Review)	C	C	C	C		C
New Recommendations						
EMT- Continue to maintain current EMT text reserve textbook supply in library					P	P
Emergency Management and Homeland Security (EMER)-Purchase and or obtain desk copies of current EMER textbooks and related reference material.					P	P

--	--	--	--	--	--	--	--	--	--

COMPLIANCE: Do course requisites meet Federal, State & District requirements? Do the course outlines meet state, district & federal regulations for content? Do vocational programs have regular advisory meetings?	Status					
	04-05	05-06	06-07	07-08	08-09	09-10
Current Recommendations						
a) none						
New Recommendations						
EMT- Continue to meet and exceed California Title 22 requirements for accredited EMT programs. Continue to meet and exceed Los Angeles County Department of Health Service requirements for local accreditation.						
C.N.A. NRS 101 approved by DHS through April 13, 2009						C
C.N.A. NRS 101 Policy and Procedure manual needs updating and annual reviewing by Nursing faculty						I
Home Health Aide latest program approval expired March 31, 2007. Need to resubmit application paperwork to DHS.						P
