

## MESSAGE FROM THE SUPERINTENDENT/PRESIDENT MENSAJE DE LA SUPERINTENDENTE/PRESIDENTE

### What is your Citrus Story?

On behalf of the Citrus College community, I welcome you to the college! If you are a new student attending college for the first time, a returning student seeking new opportunities in the classroom or in the workplace, or a continuing student striving to accomplish your goals, you have chosen the right college at the right time!

**Geraldine M. Perri, Ph.D.**  
*Superintendent/President*  
*Superintendente/Presidente*

Citrus College continues its 95-year legacy of preparing students for success. Earlier this year, the college received a six-year reaffirmation of accreditation from the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, which validated the effectiveness of the institution. Citrus College also achieved national recognition when selected to the President's 2009 Higher Education Community Service Honor Roll for our Cosmetology students' volunteer activities. In addition, *Community College Week* named Citrus College as one of the nation's top degree and certificate producing two-year institutions.

These accomplishments would not have happened without the contributions of our highly qualified and dedicated faculty and staff, who implement our outstanding academic programs and student support services. Our mission, vision and values are centered on student success, and our students continue to impress us and make us proud! This year, Citrus College students received local, state and national honors in the fields of science, journalism, theatre arts, business, athletics and academics.

As you experience all of the opportunities Citrus College has to offer, remember that your success is very important to us, and we will do all we can to help you attain your educational goals. Thank you for allowing Citrus College to help you create your Citrus Story, a story of academic and professional achievement.

Once again, welcome to Citrus College. We wish you a productive and successful year.

Sincerely,
