

Testing Center (ED 215)

626-857-4035

testingcenter@citruscollege.edu

Test administration, proctoring for online exams, make-up tests for traditional classes and assessment testing services are offered. Consult the Citrus College website for assessment testing times. All other testing is done on a drop-in basis (except adapted testing for students requesting a reader, scribe, large print or Braille, which requires an appointment to be made at least five days in advance). Students must present a photo ID and official documentation of their Citrus College ID Number to use the service.

Students who require accommodations may arrange to take their course exams through adapted testing. Typical accommodations provided by adapted testing include extended time, large print, distraction free exam space and adapted computer equipment. Adapted testing is available in the Testing Center.

Computerized instruction is available for students who want to strengthen their basic math, reading and writing skills.
