\* a minimum of score of 4 is needed for CSU credit

CSU GE: The IB examinations may be incorporated into the certification of CSU General Education-Breath requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breath area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breath requirements. CSU policy can be found at: <http://www.calstate.edu/AcadAff/codedmemos/AA-2009-11.pdf>

IGETC: IB exams must be used in area indicated regardless of where the certifying CCC's discipline is located.

Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.

The IGETC policy for IB credit can be found at:
